

E-Marketing, 2013, 448 pages, Raymond Frost, Judy Strauss, 0133401790, 9780133401790, Pearson Education, 2013

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Directed primarily toward students taking a course on Marketing in the Internet, this text also teaches professional marketers how to engage and listen to buyers, and how to use what they learn to improve their offerings in today's Internet- and social media-driven marketing environment. With a focus on the Internet and other technologies that have had a profound effect on how marketing is approached today, the book updates traditional marketing coverage with a thorough, incisive look at e-marketing planning and marketing mix tactics from a strategic and tactical perspective. B
